

PRESIDENTS' LEADERSHIP AWARD

Big Brothers/Big Sisters Club of KSC *Keene State College*

The new Big Brothers Big Sisters Club of Keene State College was started from an overwhelming interest on part of students to become Big Brothers and Big Sisters and to provide support for the Big Brothers Big Sisters of the Monadnock Region. Currently 60 students are matched with children in the Keene community serving as role models to children in our community. Members of this club are instrumental in the success of the overall program through the support and encouragement that they provide to fellow Big Brothers and Big Sisters. If there is more support, encouragement and ways to improve services given both by the agency and the volunteers themselves then the matches will be more successful and lasting. The club offers a way for mentors to share their experiences as well as develop ways to improve the program. The club offers activities such as Snow Tubing, Swimming, Bowl for Kids Sake (yearly fund raiser) and games. The students in this club are dedicated leaders. Without their leadership, passion and commitment these programs would not exist or grow.
